Afternoon Classes

12:15 pm – 3:00 pm

Activity Descriptions

All activities are tailored to meet the individual needs of all the children and are developmentally appropriate.

- **Circle Time:** Planned activities emphasize socialization skills, cognitive development and small motor experiences using music, finger plays, science and stories to encourage listening skills. Some activities include: Pledge of Allegiance, calendar, weather, and readiness skills.
- **Learning Activity (Centers):** Centers are small areas dedicated to a developmental area. Water play, Math/Science, Art, Computers, Writing, Library Dramatic play and Large/Small motor. Activities in each area will coordinate with the weekly theme.
- **Art:** A variety of media are provided to offer creative experiences through cutting, gluing, painting, and coloring.
- **Music:** Songs, musical games, CDs and rhythm bands are some of the tools used to enhance the curriculum.
- **Free-Choice Play:** Opportunities to explore and use dramatic play areas, small muscle manipulatives, large muscle equipment, as well as special alternatives set up by the teacher. Some specific activities include: kitchen, blocks, creative play through dress-up, games, and toys.
- **Snack:** Water and a nutritious snack including fresh organic fruit, are offered daily. No nuts are served due to various food allergies. Organic 2% milk is offered to lunch bunch students.
- **Outdoor Play:** Children acquire a sense of kinetic awareness through opportunities to run, climb, jump, swing, push and pull through the use of our outdoor equipment. Our outdoor play equipment and nature center enhance large and small motor development.
- **Spanish:** Basic Spanish will be taught once a week within the three programs. Colors, Shapes, Numbers, ABC's, Transportation, Foods are just a few topics that will be explored through music.
- **Science:** Science is implemented throughout all the activities. However, a set time throughout the daily schedule will be dedicated to the many concepts of Science. (Space, Human Body, Basic Physics, Earth, Measurement and Math, and more!).
